

2008 AMA Sports Black Cat Gold Dirt Track Grand Championships Pro Sport Supplemental Regulations

As per the 2008 AMA Flat Track Championship Rulebook the following rules will be used:

1. AMA Pro Sport displacement limits are as follows:

450cc 4 stroke single cylinder
250cc 2 stroke single cylinder

2. AMA Pro Sport events will use the AMA Pro sound requirements listed in Section 1.8

1.8 Sound Requirements

- All motorcycles must meet sound limits of 105 dB/A measured on the "A" scale at 0.5 meters (20 inches). Test procedure will be prescribed by the AMA, in accordance with SAEJ1287.
- Certain race tracks may require lower limits. Where specific maximum noise levels are required, those limits will be noted in the Supplementary Regulations.
- See Appendix D for Sound Test Procedures.

3. AMA Pro Sport events will use the AMA Pro tire requirements listed in Section 1.5b that apply at Hot Shoe events.

1.15 Tires

1. Front Tires-All Flat Tracks

4. AMA Pro Sport events will comply with the recent 2008 Flat Track Tire Modification Bulletin as it pertains to all licensed flat track competitors.

Effective June 2, 2008 any modification to competition tires is not permitted. These modifications include but are not limited to the following:

No Alterations

No Chemical Applications
No Foreign Substances may be applied
No Cutting/Sipping
No Alteration of Production Materials
No Tractionizing

All tires must remain as originally produced by the manufacturer.

5. Riders participating in AMA Pro Sport events held in conjunction with the Dirt Track Grand Championships will be awarded Hot Shoe Championship points and advancement points.
