

En Route Traveline & The American Motorcyclist Association Presents: ISDE Enduro Event, October 12-17, 2009

In 2009, teams from around the world will compete in one of the most prestigious motorcycle competitions in the world, the grueling International Six Days Enduro. En Route Traveline & the AMA have put together the 2009 ISDE Tour Package for riders and spectators to attend Figueira Da Foz at the 84th edition of this prestigious event.

When designing this program, we considered the feedback from previous tour participants as well as today's economic condition. Two specific items eliminated were the Team Jackets, and an extra night on location after the completion of the race. In addition, the dinners each evening are now an optional addition to the standard tour package. All team members will be staying at the same hotel – the same location for team meetings as announced during the event.

The dates for the package this year are for travel from the U.S. on Monday, October 5, arriving in Lisbon, Tuesday, October 6 and returning back to the U.S. on Sunday, October 18. The ISDE tour package includes:
