NATIONAL AND GRAND NATIONAL POINTS

- In order to be eligible for Grand National/National points, a rider must earn points in at least two (2) National events in the same class. Grand National points and National class points will be based on the following points schedule:

Finish / Points	Finish / Points	Finish / Points	Finish / Points
1 - 30	6 - 15	11 - 10	16 - 5
2 - 25	7 - 14	12 - 9	17 - 4
3 - 21	8 - 13	13 - 8	18 - 3
4 - 18	9 - 12	14 - 7	19 - 2
5 - 16	10 - 11	15 - 6	20 - 1

Example: At a series event a rider may finish first in the 250cc class and third overall. He would receive 30 points for his 250cc class win and 21 points toward the Grand National Championship. Class points and overall "A" points shall be kept separately by the AMA.

- The AMA/FMF Racing National Enduro Overall Champion will be decided by the points accumulated at all of the rounds on the AMA/FMF Racing National Enduro series schedule. Class champions will be decided by 3 less than the total number of events held in the series. Ties are broken by comparing the number of first, second, third, etc. finishes, until the ties are resolved.

RACE RULES

- The minimum mileage for a National Enduro is 85 **actual ground** mileage.
- At Nationals, all Pro riders start one minute apart, beginning with the previous years champion at row 21, 2nd on row 22 and continuing on until all Pro competitors have started, including riders electing to ride the Pro class that were not in the top 15 overall the previous year.
