

AUCTION TIPS AND INFORMATION

AUCTION SELLING

There are two ways to sell your motorcycle: unreserved or reserved. An *unreserved* motorcycle sells to the highest bidder. A 10% commission of the selling price is charged (with a \$100 minimum), and there is no registration fee. On a *reserved* motorcycle you set the minimum selling price (you do have the right to change your mind and accept the highest bid when the bike is on the block). A 10% commission of the selling price is charged, with a \$100 minimum. The reserved sale registration fee is \$50 if received by July 16 and \$100 thereafter. Motorcycles can be consigned on Friday, July 27, from 8am - 5pm and on Saturday, July 28, from 8am - 11am. All motorcycles must have a clear title. **NO OPEN TITLES!** If you are selling a bike for another person, you must have a power of attorney.

AUCTION BUYING

You must register and get a "bidder's number" in order to buy at the auction sale. There is a \$10 registration fee, which includes two reserved seats and a catalog listing the items to be sold. There will be an 8% buyer's premium. Payment in full is due on the evening of the sale. Acceptable terms are: cash, bank checks, (this seems to be the best method of secure payment - the checks are made payable to yourself and are frequently done in increments of \$2,000 to \$5,000, depending on how much you plan to spend), traveler's checks, or an irrevocable bank letter of credit guaranteeing your check. The letter must be currently dated, addressed to The American Motorcyclist Association, and include the account number on which the check will be drawn and the amount of funds to be covered by the guarantee. We also accept Visa, MasterCard, American Express and Discover.

ACCOMODATIONS

Please refer to the 2008 AMA Vintage Motorcycle Days lodging list on the AMA website, www.amavintagemotorcycledays.com.

SHIPPING & AUCTION BIKE PICKUP

We can arrange to have your motorcycle picked up at your door, sell it for you at the world's best motorcycle auction, and mail your check to you the week after the auction. Call us for details. For bike shipping, contact Jackie Taylor at Federal Companies, (800) 747-4100, ext. 217.

TIPS FOR SELLING

Consign your motorcycle early so we can advertise it for you. Send us a photo or two using a neutral background, like a white garage door. We will have information cards available - - does the bike run now? Did the bike run when you parked it years ago? - and so on. Bring your bike to AMA Vintage Motorcycle Days as early as possible, as buyers will be inspecting the motorcycles they want to consider buying. Remember, too, that the earlier you bring your bike in, the earlier number and placement in the sale it will have. Don't forget to leave the key in the bike so we can run it for the buyers.

TIPS FOR BUYING

Please come to the event early to check out the bikes. Ask us to help you. We will start the machine, and give honest opinions about what you are considering. Come prepared to buy - *we can't take your personal check for someone else's property*. Go to the bank and get a "Bank Check" made payable to yourself for any amount you might want to spend. If your check is for more than your purchase we will refund the difference on the spot. You may also use Visa, MasterCard, American Express or Discover. We like happy customers! If you spend the time to come early and check the bikes out, you can bid with more confidence than the guy who didn't and you can go home a winner!

BID ONLINE

For any of you who can't join us at VMD, the auction is on the web! The auction will be live online on Proxibid.com. If you can't make the auction, you can still bid on the great bikes in this year's auction! You must register at www.proxibid.com before the auction starts to bid.
